## Personal Profile

---

My name is Bence Gellert. I am 20 years old and I am finished 2 years of computer science and software engineering in Maynooth University. I am currently working at Green Mango part-time along side being a full time student. I am very passionate about computers for as long as I can remember, attending coder dojos and after school computer classes in primary school. I enjoy every new challenge and dive into them enthusiastically
